DISCUSS AND TAKE POSSIBLE ACTION: On Stop sign for Pecan and 8th St.

Shelby Mr. Dill approached us, and he wanted this to go on the agenda. He wanted to discuss the possibility of adding a four way stop to the intersection of pecan and eighth Street. I did obtain the information from Chief Howell that states that over the last three years, there have been two crashes listed and one traffic complaint of, cars blocking the driveway. the financial impact would be the cost and installation of the two stop signs. So, we did go out and take pictures for you guys of the situation. And we also marked on there an aerial view of where the stop signs would be added on the other corner.

On a motion by Jim Saccomano to approve the stop sign at Pecan and 8th St. second by Ron Bachman with three voting "Aye" and Eric Hayes voting "Nay" motion passes 3-1.
